

NOTICE TO FISHERMEN - ABANDONED WELLHEADS 2014

In August/September 2014 overtrawlability trials were conducted at several abandoned wellhead sites in the North Sea, with the intention of proving these areas as clear or foul.

All locations listed below have been confirmed as clear.

Well no. 8 – 13/23D	58° 11.349'N, 001° 25.404'W
Well no. 7 – 13/23A	58° 16.720'N, 001° 35.955'W
Well no. 02 – 206/07a	60° 41.231'N, 002° 36.818'W
Well no. 15 – 3/15a	60° 36.710'N, 001° 53.160'E
Well no. 3 – 3/30a	60° 05.696'N, 001° 58.983'E
Well no. 4 – 3/30a	60° 07.571'N, 001° 57.939'E
Well no. 12z – 30/01d	58° 56.832'N, 002° 09.113'E
Well no. 5 – 13/26a	58° 01.556'N, 001° 49.768'E
Well no. 3 – 30/19a	56° 26.390'N, 002° 45.360'E
